- A SAFE and Effective Adhesive Remover, specially developed for medical application. **Medi-Sol™** Adhesive Remover effectively removes tape, adhesives, nitro patches, tar, residue from skin, hair, and more!
- **Medi-Sol™ is hospital-tested, Non-Toxic, 100% Organic, Biodegradable, and contains No Harsh Chemicals.** Excellent for use on TENS accessories and ostomy appliances too.
- Adhesive Remover formula was written up as a safe and effective remover of tar and asphalt from skin and hair on burn victim wounds in **The American Journal of Surgery** and **Emergency Medical Journal.** **Medi-Sol™** has been used and trusted by top hospitals, burn centers, neo-natal units, and care facilities around the United States for over 20 years.

From EMERGENCY MEDICINE JOURNAL:

Medi-Sol™ is far and away the best solvent we've ever used. It removes tar and asphalt from the skin and mucous membranes safely and in half the time that other surface agents take.
